

## Choose Portable Sanitation for Your Party

### **Comfort Station Model 4848E 48" x 48" x 96"**

Accommodates up to 70  
per 8 Hour Event

Attaches to 300 Gallon  
Holding Tank in the Rear

Your wedding or party guests will especially appreciate this spacious, portable "like home" restroom. Ladies do not have to "rough it" any more at outdoor events. Ceramic toilet & sink, safety light & exhaust fan, mirror, wastebasket, 9" toilet roll holder with paper, paper towel dispenser with towels, and soap dispenser and soap are all included. All you need is a garden hose and a 100v electrical outlet. Then, just add the people and party on!

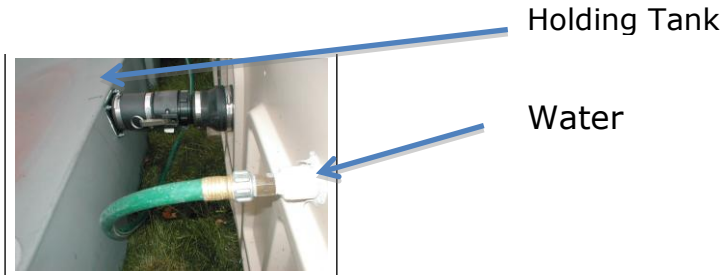

### **Comfort Station Model SJSDCS520 44" x 44" x 89"**

Ceramic Sink  
Ceramic P-Trap Toilet  
Soap Dispenser  
Paper Towel Dispenser  
Inside Door Lock  
9" Toilet Roll Holder

Same great features, but a less expensive alternative. A bit smaller, with no electricity, this deluxe model has a light-enhancing roof letting in natural light and can be equipped with a tap light for evening use. Again, add a garden hose and the people and you're ready to go.

## How it Works

**Model HT304**  
**300 Gallon Holding Tank**  
All Comfort Stations can be  
Connected to Holding Tank,  
Septic or Sewer

### **Regular Sani-Jon (Model SJ450)** **Portable Toilet**

Men and boys can utilize this regular portable toilet with its large toilet paper and towel dispensers, and hand sanitizer unit.

Fast and easy to use, saving the Comfort Station for the ladies.

**Hand Wash Station**

### **Model FPHW4545** **Dual Hand Wash Station**

Lots of sticky fingers will appreciate this double hand washing unit with its 90 gallon capacity and fun foot pump. Ready to use with hand soap & towels included.
